

**Boost Mobile Delivers Ultra Savings with New Samsung Galaxy S22 Series
Get \$500 off and a \$200 gift card on us when you pre-order Samsung Galaxy S22 Ultra with
Boost Mobile
Pre-orders for the new lineup start February 9 and run through February 24**

ENGLEWOOD, Colo., February 9, 2021 – Starting today, Boost Mobile customers can pre-order the latest Samsung Galaxy S22, Galaxy S22+, and Galaxy S22 Ultra [online](#) and receive a Boost Mobile Gift Card up to \$200—that is 2 years of service on select plans.¹ Boost Mobile plans offer the best value in no-contract wireless and with the Samsung Galaxy S22 series on America’s largest 5G networks, Boost Mobile customers are more empowered than ever.

Samsung’s Galaxy S22 and S22+ introduce dynamic cameras with advanced intelligent image processing to make every moment epic. Built with a bold design and sustainable materials, Galaxy S22 and S22+ are designed to be both beautiful and environmentally responsible.

The Galaxy S22 Ultra merges the best of two smartphone legacies – the unrivaled power of the Note Series and the pro-grade camera and performance of the S Series – to set a new standard for premium smartphones. Featuring a built-in S Pen, advanced Nightography and video capabilities, and battery life that lasts over a day,² Galaxy S22 Ultra is the most powerful Ultra device Samsung has ever created.

FEATURES

Samsung’s Most Intelligent Camera Yet: Samsung Galaxy S22 and S22+ are designed to deliver next-level camera experiences, so people can connect and share wherever they are. With the Galaxy S22 Series’ revolutionary new Nightography features your camera is designed to let in more light, draw out details, and capture colors that make your content pop, even in the dark.⁴ Samsung’s latest AI technology takes your photos to the next level. It’s easy to take perfect Portrait Mode photos with the new AI Stereo Depth Map, and your subjects will look better than ever thanks to a sophisticated AI algorithm.

Power and Performance: From work to home, Galaxy S22 and Galaxy S22+ are designed to power you through even the busiest days with the first-ever 4nm processor on a Galaxy smartphone. It powers Samsung’s most advanced AI and ML processing to date, delivering unrivaled performance for all your streaming and productivity needs.

Galaxy S22 is built with a robust all-day battery⁵ and fast 25W charging that never slows you down, and Galaxy S22+ features a super powerful battery that can last even longer than a day on a single charge. Galaxy S22+ also offers 45W super-fast charging, so you don’t have to wait when your power is running low.⁶ Streaming that movie or your favorite show will look even better on Galaxy S22 and S22+’s beautiful displays. Both devices come equipped with a Dynamic AMOLED 2X adaptive 120Hz display, designed for the best in gaming and watching.

Galaxy S22 Ultra, Samsung’s Most Powerful S Series Phone Yet: Galaxy S22 Ultra joins the new Galaxy S Series of devices — Galaxy S22 and S22+ — offering every feature of those devices plus new added features for the best of the S Series. The fan-favorite built-in S Pen is coming to an S Series device. With 70% lower latency⁷ you can write and draw more naturally on your S22 Ultra’s expansive screen, and explore apps in new ways.

Galaxy S22 Ultra isn’t just Samsung’s most powerful, it’s also the smartest. With zooming capabilities that will get you 100x closer to the action, the camera is packed with new AI features like Portrait Mode, Galaxy S22 Ultra is built to make every photo look professional. With S22 Ultra’s robust

intelligent camera capabilities, your phone does the heavy lifting, so you always capture stunning photos and video in any lighting.

Availability: Starting on February 25, 2022, Galaxy S22 will be available in the following colors and memory options: Phantom Black, Phantom White, Green, and Pink Gold in 128GB and 256GB models with 8GB RAM. The Galaxy S22+ will be available in the following colors and memory options: Phantom Black, in 128GB and 256GB models with 8GB RAM. The Galaxy S22 Ultra will be available in Phantom Black and Burgundy in 128GB and 256GB models with 8GB and 12GB RAM.

About Boost Mobile

Boost Mobile provides award-winning, best-in-class value and connectivity to U.S. wireless consumers on America's largest 5G networks and competitive consumer plans with no annual service contracts. Boost Mobile operates on DISH Wireless L.L.C., a subsidiary of DISH Network Corporation (NASDAQ: [DISH](https://www.dish.com)), and serves as its largest retail wireless brand. DISH, a nationwide U.S. wireless carrier, continues to innovate in wireless, building America's First Smart Network™. Learn more about Boost Mobile online on [Facebook](https://www.facebook.com/boostmobile), [Instagram](https://www.instagram.com/boostmobile), [Twitter](https://www.twitter.com/boostmobile) and [YouTube](https://www.youtube.com/boostmobile).

¹Not including taxes. \$100 per year plan includes 12-Month Unlimited Talk & Text + 1GB 5G/4G Data.

²Based on average battery life under typical usage conditions. Average expected performance based on typical use. Actual battery life depends on factors such as network, features selected, frequency of calls, and voice, data, and other application usage patterns.

³Limited Time Offer. Offer ends 2/24/2022. Promotion online only. While supplies last. Excludes tax. Available only in select markets. Shipping will begin on 2/25/22. Pre-order phones may take up to 30 days to ship. E-gift card will be emailed after your phone ships and can only be redeemed at [BoostMobile.com](https://www.boostmobile.com) toward your monthly Boost service. E-gift card expires 90 days after shipment if not redeemed; no cash back, credit or rain checks. May require plan change. Other Terms: Offers/coverage may not be available everywhere or for all phones/networks. Boost reserves the right to change or cancel offer at any time. Restrictions apply. Visit [boostmobile.com/coveragemap](https://www.boostmobile.com/coveragemap) for detailed coverage information. Capable device and qualifying service required for certain network access. Boost Mobile ©2022 DISH Wireless L.L.C. [9601 S. Meridian Blvd., Englewood, CO 80112](https://www.dish.com). All rights reserved. All other marks are the property of their respective owners.

⁴Adaptive Pixel only works with high resolution photos, not at basic resolution.

⁵Estimated against the usage profile of an average/typical user. Independently assessed by Strategy Analytics between 2021.12.08–12.20 in USA and UK with pre-release versions of SM-S901, SM-S906, SM-S908 under default setting using 5G Sub6 networks (NOT tested under 5G mmWave network). Actual battery life varies by network environment, features and apps used, frequency of calls and messages, number of times charged, and many other factors.

645W Travel Adapter sold separately

⁷When compared to Galaxy S21 and S21 Plus.
