

## **Boost Mobile Offers New Customers an Apple iPhone SE for \$0** **The iPhone offer from Boost Mobile extends past the Memorial Day holiday**

ENGLEWOOD, Colo., May 26, 2022 -- What: Boost Mobile introduces a special promotion for an Apple [iPhone SE \(2nd generation\)](#) for \$0 to new customers when they switch and bring their number to Boost. The iPhone SE features a 4.7-inch Retina HD display, paired with industry-leading Touch ID security. It is powered by the Apple-designed A13 Bionic, the fastest chip in a smartphone. iPhone SE also features the best single-camera system ever in an iPhone, which unlocks the benefits of computational photography including Portrait mode.

When/Where: The offer is available immediately to all new Boost Mobile customers now through June 7, 2022 at Boost Mobile retail locations.

How: New customers can go to any Boost Mobile retail location to receive an iPhone SE for \$0 when they switch wireless service to Boost Mobile.

Why: Boost Mobile wants to make mobile service accessible to more consumers without sacrificing quality or service. By offering an iPhone SE for \$0, Boost Mobile demonstrates that value-add services are the future of wireless service and gives consumers more power to create the mobile experience that works best for them. Apple introduced the iPhone SE (2nd generation) in April 2020 at \$399, the most affordable iPhone, which quickly became a popular option for budget-conscious consumers who still wanted a powerful network device.
