

\$50/Month Gets You Unlimited Wireless Service and iPhone 14 On Us Only at Boost Infinite

Infinite Unlimited+ has arrived offering access to an infinitely better wireless experience, with unlimited data, talk and text, and, for the first time, iPhone 14 on us.

Boost Infinite is now offering its new Infinite Unlimited+ subscription for just \$50 a month^[1], which includes unlimited talk, text and data, and, for the first time, iPhone 14 on us with device trade-in^[2]. Starting today, new members can sign up for Infinite Unlimited+ at [BoostInfinite.com](https://boostinfinite.com).

"We developed Boost Infinite to provide an outstanding customer experience and meaningful value to our members, while keeping things simple and straightforward," said Jeremy McCarty, Head of Boost Infinite. "Now with the introduction of Infinite Unlimited+, we are offering the best option for our members to get iPhone 14. We are excited to add iPhone 14 to our lineup with an impressive camera system, incredible battery life and vital safety capabilities."

When Boost Infinite subscribers choose Unlimited+ at just \$50/month, they get iPhone 14 on us with device trade-in. Boost Infinite offers simple unlimited subscriptions on one of America's largest nationwide 5G networks. Infinite Unlimited+ includes unlimited calls and texts anywhere in North America, along with global calling and texting from the U.S.^[3] Full details can be found on [BoostInfinite.com](https://boostinfinite.com).
