Celebrate Hardworking Heroes with Your Friends, Neighbors and Boost Mobile this Labor Day Weekend

Sep. 1, 2023 - Kick off Labor Day Weekend with Boost Mobile as stores across the country celebrate hardworking, everyday heroes. More than 3,700 Boost Mobile stores are bringing their communities together to say thank you.

Participating stores are hosting local events featuring things like free food, live music and snow cones for the kids. (Events vary by location; a list of Boost Mobile locations can be found here.) Stop by to join the fun and pick up Boost swag. Plus, Boost Mobile is offering special pricing on the latest 5G phones and accessory discounts.

All weekend long, our hardworking team members will be there to support you. From August 30 through September 2, select device accessories are 35% off. Boost Mobile is also extending back-to-school deals through October 12th with a lineup of 5G smartphones deals, including the Samsung A23, moto g stylus 5G, moto g 5G and Celero 5G+ (all compatible with our superfast Boost 5G network).

For iPhone lovers, customers who switch to Boost Mobile in-stores can get a NEW 64GB iPhone 11 for just 49.99. Current Boost Mobile customers can upgrade to a 64GB iPhone 11 for less than $100.00.

Although summer is winding down, the smartphone savings continue through October 12. For more information, head to your local Boost Mobile store. Be sure to follow us on social media using #BoostLaborDay and @Boostmobile.

If you're unable to make it to this weekend's Boost events because you're planning to catch the weekend's football games, be sure to check out your favorite teams on sling.com and dish.com.
