

iPhone 15 Lineup is Available for Purchase with Boost Infinite

Infinite Access for iPhone Delivers iPhone 15 Pro with Boost Infinite and the Latest iPhone Every Year at Only \$60/mo. – No Trade-in Required to Get Started

LITTLETON, Colo., Sept. 22, 2023 – Consumers can now purchase the new iPhone 15 line-up and sign up for Infinite Access for iPhone with **Boost Infinite**.

Infinite Access for iPhone, Boost Infinite's new monthly subscription plan, is exactly as it sounds — access to the latest iPhone every year with unlimited talk, text and data¹ and connection to America's Smart Network™²— all for only \$60/mo.

Infinite Access for iPhone, Boost Infinite's new monthly subscription plan, is exactly as it sounds. Members get up to \$1,000 off the new iPhone 15 lineup and the latest iPhone every year while enjoying unlimited talk, text and data³ and access to America's Smart Network™⁴ – all for only \$60/mo. Members also receive North America Connect⁵ and International Connect⁶. Plus, members can customize their service with Add-Ons, like a Data Hotspot and Speed Pass, and have the freedom to change, add or remove these services at any time.

Get the latest iPhone every year⁷. After 12 consecutive monthly payments, members can upgrade to the latest iPhone model at no extra cost. Customers also have the flexibility to upgrade to larger storage capacity and iPhone 15 Pro or iPhone Pro Max models or swap for different colors, when they initially sign up, and after each 12 months of membership.

The best technology deserves the best connection. For the first time, iPhone 15 is certified for an Open RAN network, the Boost Wireless Network. Boost Infinite members who purchase iPhone 15 in one of Boost Wireless Network's live markets will now have access to Boost's 5G network and one of our partner networks through America's Smart Network™. Members who live elsewhere will connect to one of America's top 5G networks. Boost Infinite is delivering a best-in-class experience to ensure members enjoy the very best of what the latest iPhone has to offer.

Visit BoostInfinite.com to learn more about its new \$60/mo. Infinite Access for iPhone plan and purchase the iPhone 15 today.

About Boost Infinite
