

Unlock Awesome with the 2024 Galaxy A15 and A25 5G on the Boost Wireless Network

Boost Mobile customers get superfast, pure 5G with latest Samsung Galaxy A Series smartphones

LITTLETON, Colo. - Jan. 18, 2024 - The latest Samsung Galaxy A15 5G and Galaxy A25 5G are all about elevated essentials — empowering Boost Mobile customers to focus on what matters most, all at an affordable price. Customers will enjoy the devices' vivid display, improved high-resolution camera, expandable storage and long-lasting battery, packaged in a stylish yet durable design.

Equipped with the very latest in wireless technology, the Galaxy A15 5G and Galaxy A25 5G are compatible with the Boost Wireless Network¹, the 4th facilities-based nationwide network and the largest commercial deployment of VoNR (Voice over New Radio) technology. Our network keeps people connected with faster download speeds, enhanced call clarity and low latency. Plus, customers will have access to three networks, including two of Boost's nationwide 5G partner networks.

Galaxy A15 5G

The Galaxy A15 5G is built with all the necessities, making it easy to embrace cutting-edge technology innovation, while providing unmatched value. This beautifully-designed smartphone features an ultra-clear, superfluid 6.5" Super AMOLED display² — plus, with Vision Booster, customers will enjoy a bright screen experience anywhere their day takes them. And, they'll be able to live in the moment with this device's super fast charging³ capabilities.

With expandable storage⁴, the A15 5G makes it easy for Boost customers to save all their most cherished photos, videos and important documents. The device also comes with Knox Security, enabling users to securely store and manage their files with ease knowing their data is safeguarded.

"Building off the momentum of last year's Galaxy A23, we're thrilled to add the A15 and A25 to our lineup of Boost Wireless Network-capable devices," said Michael Kelly, group president of Retail Wireless, DISH Wireless. "Boost Mobile customers are going to love these feature-packed, yet simple devices powered by awesomely fast 5G."

Galaxy A25 5G

For those looking to take their mobile experience to the next level, the Galaxy A25 5G is complete with a Super AMOLED display⁵, advanced triple-lens high-resolution camera — including a 50MP main camera — and stereo speakers for awesome audio at your fingertips.

Customers can head to their local Boost Mobile store and get the latest Galaxy A15 5G for FREE with port. And, they can get the Galaxy A25 5G also for FREE with port in-stores as early as January 23.⁶
