

Boost Mobile Brings Samsung Galaxy Z Flip6 and Z Fold6 to its Nationwide 5G Network

Boost Mobile adds Samsung Galaxy Z Flip6 to Infinite Access Plan, offering the latest Z Flip6 every 12 months.

Aug. 13, 2024 – A new era of smartphones is here, and they fold and flip. Boost Mobile is excited to announce the Samsung Galaxy Z Flip6 and Samsung Galaxy Z Fold6 are the latest smartphones added to Boost Mobile's device portfolio. Starting today, Boost Mobile customers can purchase the new Samsung Galaxy Z Flip6 for \$20 per month with Infinite Access plan at \$65 per month, which offers the latest Z Flip6 every year while enjoying unlimited talk, text and data on the Boost Mobile Network.

Both the Samsung Galaxy Z Fold6 and Galaxy Z Flip6 can be purchased at BoostMobile.com and paired with any of Boost Mobile's unlimited data plans.

Designed to serve as a modern take on the traditional flip phone, the Samsung Galaxy Z Flip6 combines the classic convenience and simplicity of a flip phone design with the advanced features and technology of a flagship smartphone. The device sports an impressive 6.7" FHD+ Dynamic AMOLED 2X display and more powerful 4,000 mAh battery to maximize time between charges.

The Samsung Galaxy Z Fold6 seamlessly transitions from a compact form to a massive 7.6" Dynamic AMOLED 2X Infinity Flex Display, redefining convenience and innovation all in the palm of your hand. With an unbeatable 4400 mAh battery for extended use and PC-like multitasking capabilities, the Galaxy Z Fold6 delivers Galaxy AI features perfect for productivity on the go.

"Boost Mobile is now offering the next generation of foldable smartphones, the Samsung Galaxy Z Flip6 and Galaxy Z Fold6, to our customers," said Sean Lee, SVP of Consumer Product and Marketing, Boost Mobile. "Both phones bring a fresh perspective to the mobile experience with impressive functionalities paired with unique features perfect for convenience or multitasking on the go. Combined with Boost Mobile's unmatched unlimited 5G data plans starting at just \$25 per month, our customers can enjoy the latest innovation from Samsung at an unbeatable price."

Both phones operate with Android 14 and are powered by the Snapdragon 8 Gen 3 Mobile Platform for Galaxy with powerful processing speeds and industry-leading multitasking capabilities. Users can enjoy flagship photography capabilities, as the phones boast a 50MP main camera, 12MP Ultra-Wide lens and 10MP selfie camera. The Samsung Z Flip6 is available for \$20 per month with Infinite Access as part of the \$65 per month plan. Both the Galaxy Z Flip6 and the Galaxy Z Fold6 can be paired with any Boost Mobile plan when purchased outright, \$1,099.99 and \$1,899.99, respectively.

The Best Technology Deserves the Best Connection.

Boost Mobile's ultra-fast 5G network ensures customers enjoy the best of the Galaxy devices. To showcase its state-of-the-art network, Boost Mobile offers a new 30-day money-back guarantee, allowing new customers to try Boost's 5G network risk-free and experience its speed and reliability firsthand.

"With Boost Mobile, consumers can experience the latest smartphones on our modern 5G network that prioritizes speed and reliability – without the exorbitant costs or trade-offs of other carriers," said Lee. "Our Infinite Access unlimited plan delivers great value. For \$65 a month, you get unlimited talk, text, data, global roaming and the freedom to upgrade your device anytime without a contract."
