

## LG K51 Available Now from Boost Mobile

OVERLAND PARK, Kan., May 5, 2020 /PRNewswire/ -- Starting today, the all new LG K51, which has an impressive triple-camera system and large screen -- perfect for capturing all of life's moments, will be available for purchase online at [Boost Mobile](#) for \$89.99 (plus tax).

For a limited time, however, consumers looking to make the switch can get LG's latest feature-filled smartphone for just \$29.99 (plus tax)<sup>1</sup>.

With its rich media capabilities, the LG K51 boasts an expansive 6.5-inch HD+ display with true-to-life colors and a long lasting 4,000 mAh battery for the ultimate entertainment experience. With a 115° wide lens and triple-camera system, users can capture high resolution photos with a Bokeh effect, filters, and a flexible lens option, helping them relive special moments through the K51's immersive playback features.

In addition, LG K51 is also VoLTE Capable. VoLTE is available in nearly all markets nationwide on capable devices. Customers are now able to use voice and data simultaneously as we continue to optimize the experience.

"Through our no-contract plans, Boost Mobile is committed to offering customers a stress-free way to enjoy the latest mobile technology," said Angela Rittgers, senior vice president, sales and marketing, Boost Mobile. "In addition to the LG K51's impressive media suite and multi-camera system, the device is packed with premium features that keep our customers connected and on budget."

Boost Mobile offers one of the best values in wireless, with no annual service contracts. Plans include unlimited data, talk and text. In addition, service plans include taxes and fees, mobile hotspot, unlimited music streaming and 99% nationwide coverage with voice roaming.
